(long version: <http://www.devio.us/~ppunosevac/cdynsys/pmwiki.php?n=Symposium2018.Overview>)

Dinner: Saturday, 6:30, at Wahoo Grill, 1042 W. College Ave., www.wahoogrilldecatour.com, about 1.0 miles from campus, 1.3 miles from the Marriott. Wahoo also offers valet parking.

Proceedings: If there is enough interest, we plan to publish proceedings from the conference. We invite everyone who attends (not just the speakers) to submit a manuscript to the proceedings. The manuscripts will be refereed as a journal publication and subject to the same standards (originality and previously unpublished results). You can also consider writing a survey article of a topic of current interest to you and others in dynamics. If you haven't already, please let us know if you're interested in submitting a manuscript. The manuscript would be due in July.

Reimbursement: Please send the form (attached, or on the conference webpage) with all receipts to Jim Wiseman, Math Dept., Agnes Scott College, 141 E. College Ave., Decatur, GA 30030. **These must be received by Friday, May 4.** Completed reimbursement requests received after that date will be processed eventually, if there's any money left. In order to receive your reimbursement, you must also submit a required one-time registration with the Clemson system by accessing <https://www.clemson.edu/cfo/procurement/venreg/index.php>.

Lunch options: There are dozens of options a short walk from campus - see the map included in your folder or <http://www.visitdecatourgeorgia.com/home/showdocument?id=10369> . Some of our favorites for a quick lunch are Victory Sandwich Bar (on Church St.), Fresh to Order (corner of Church and Ponce de Leon), and Grindhouse Killer Burgers (on N. McDonough).
